## PROJECT

# Victoria Azur HOTEL A★★★

By Karam Mohamed Elaraby NO. 19

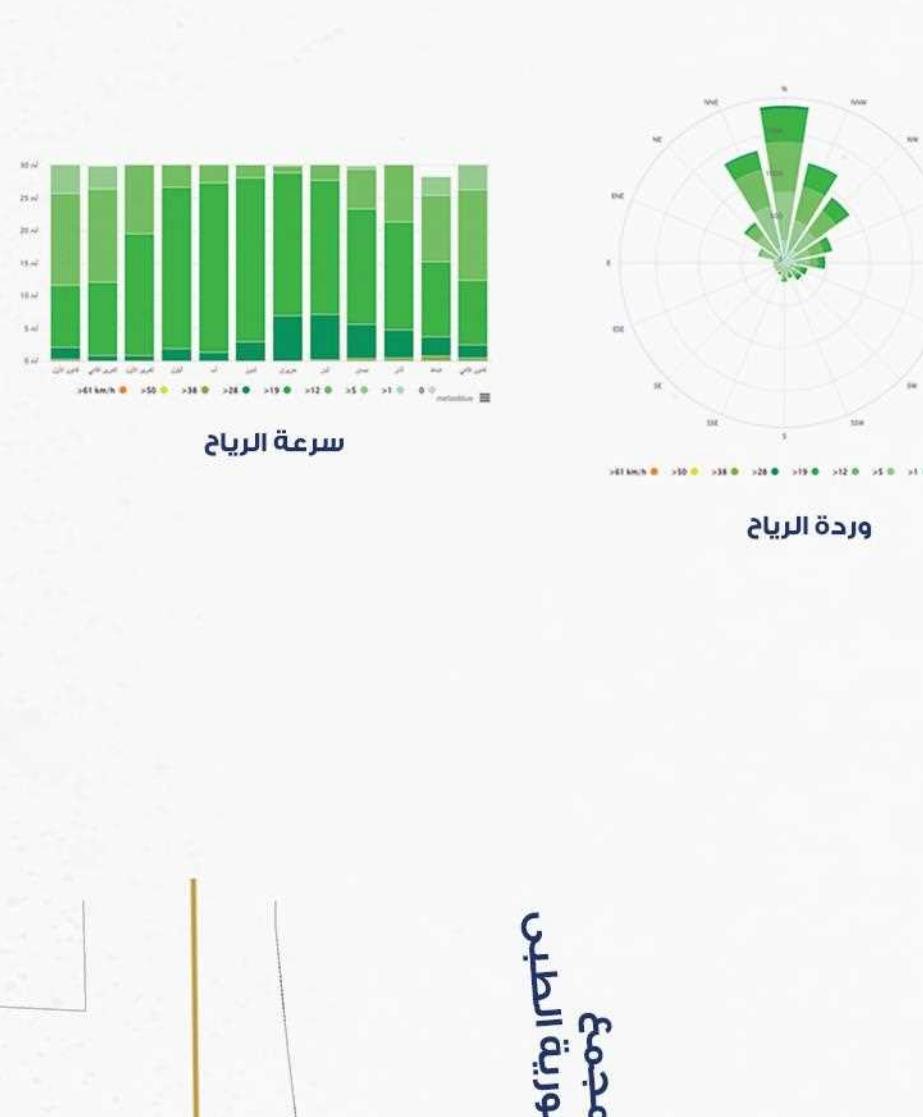

### Introduction

Victoria Azur is a 3 star Hotel located in a crossroad between El Gomhoria St., & Najeeb El- Rayhany St., Downtown, Cairo "Khedive Cairo" which is based on the Classical Architecture and it's a Historical Region

As Architecture is known as the Art of Sustainability Our Goal is to Re-Design The Hotel to adapt to present changes & we can put it to a few points :

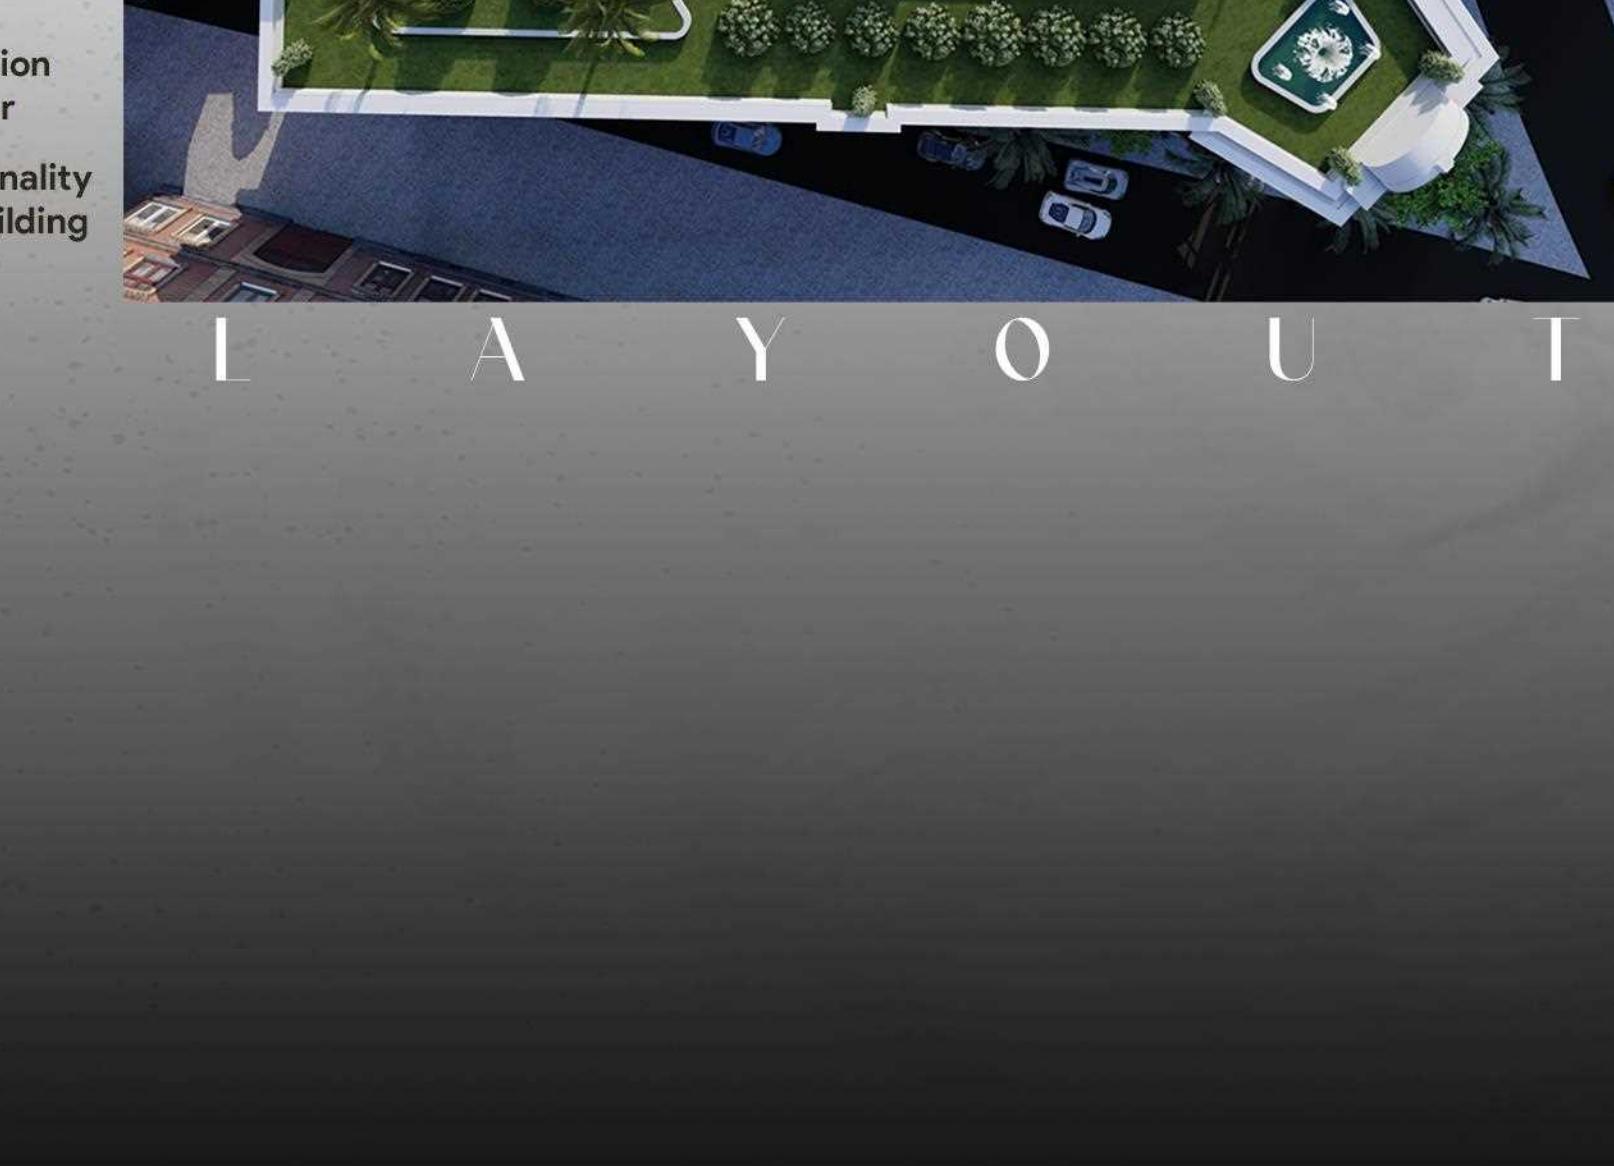

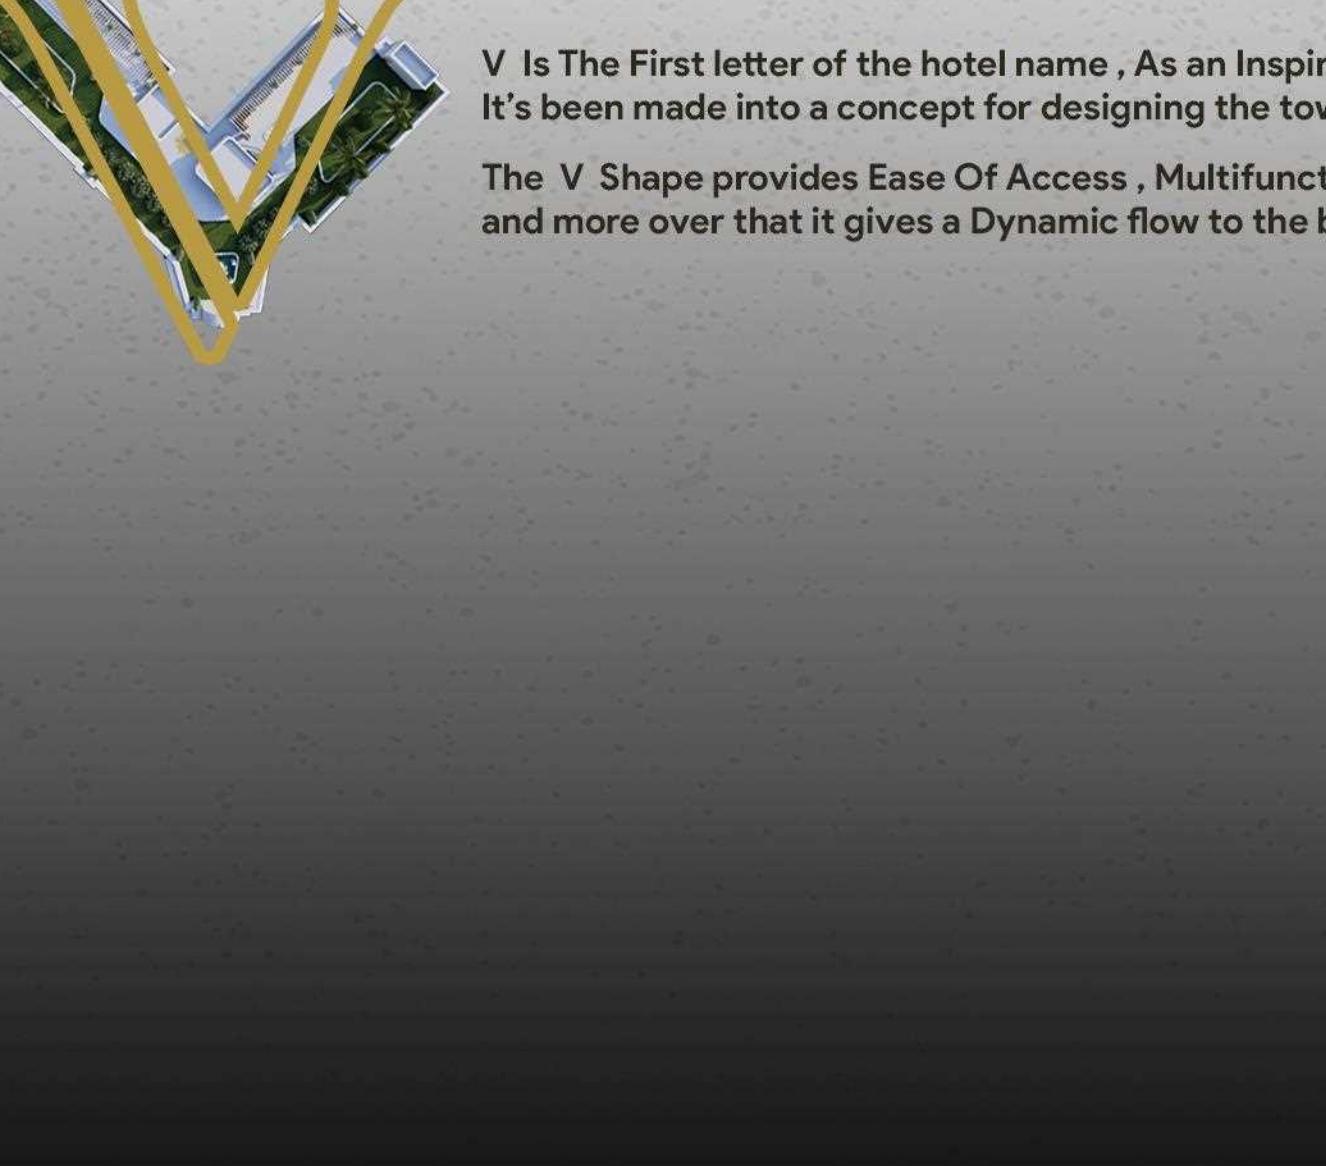

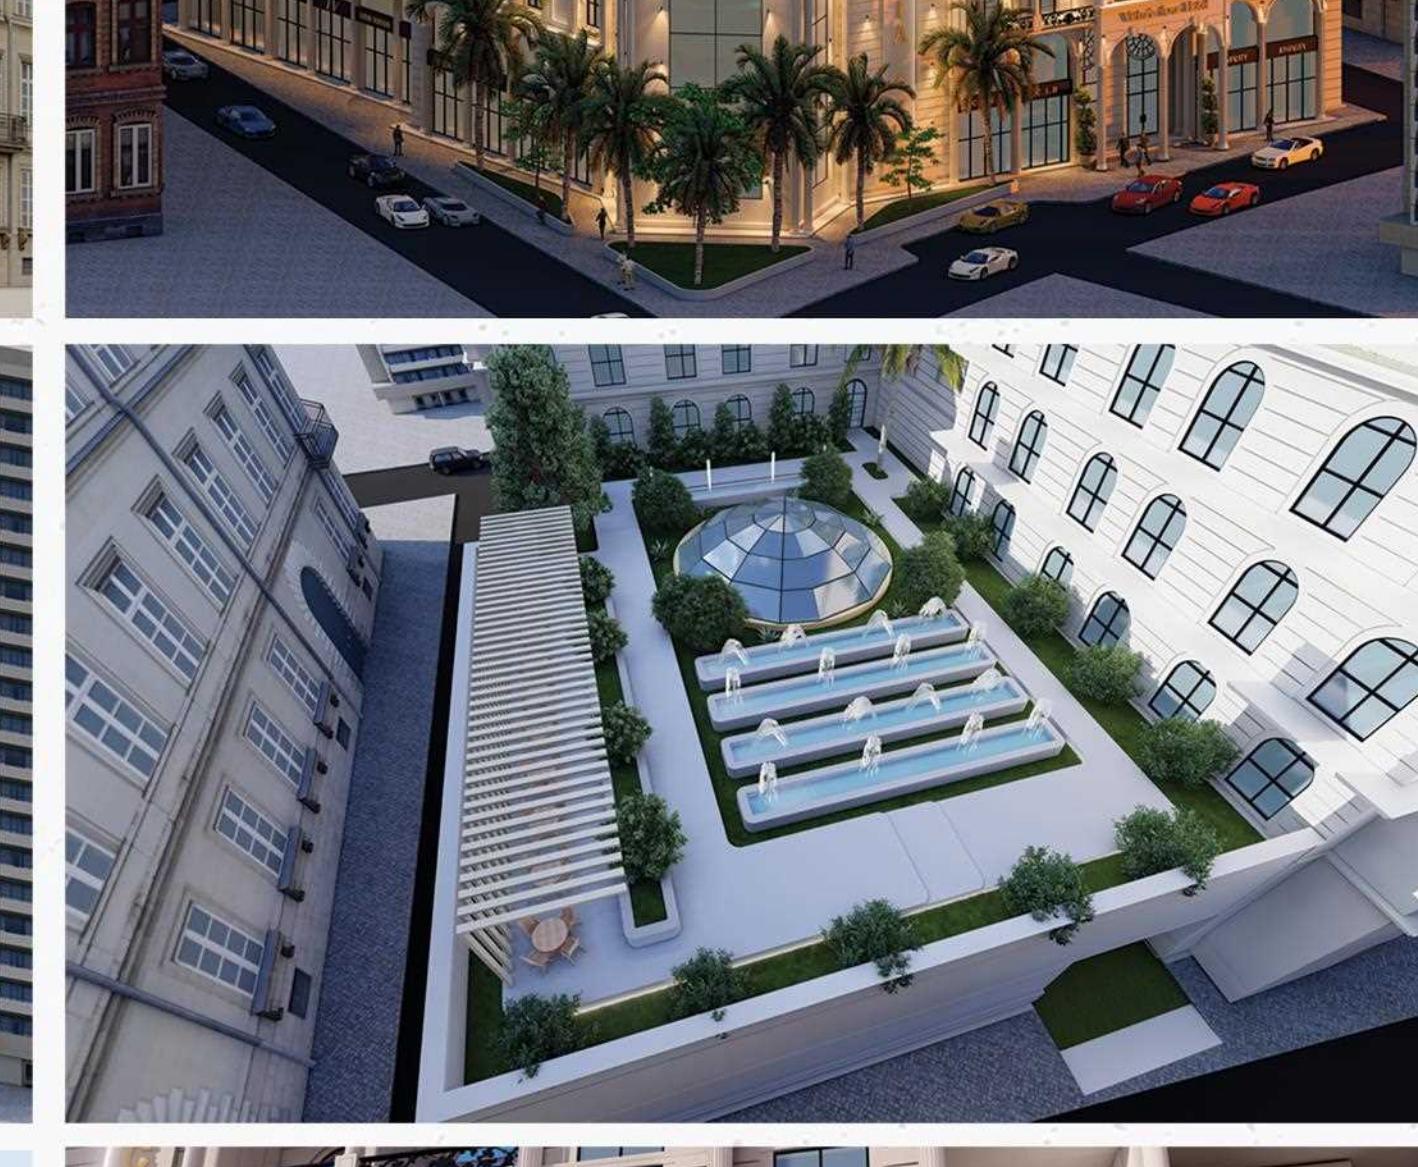

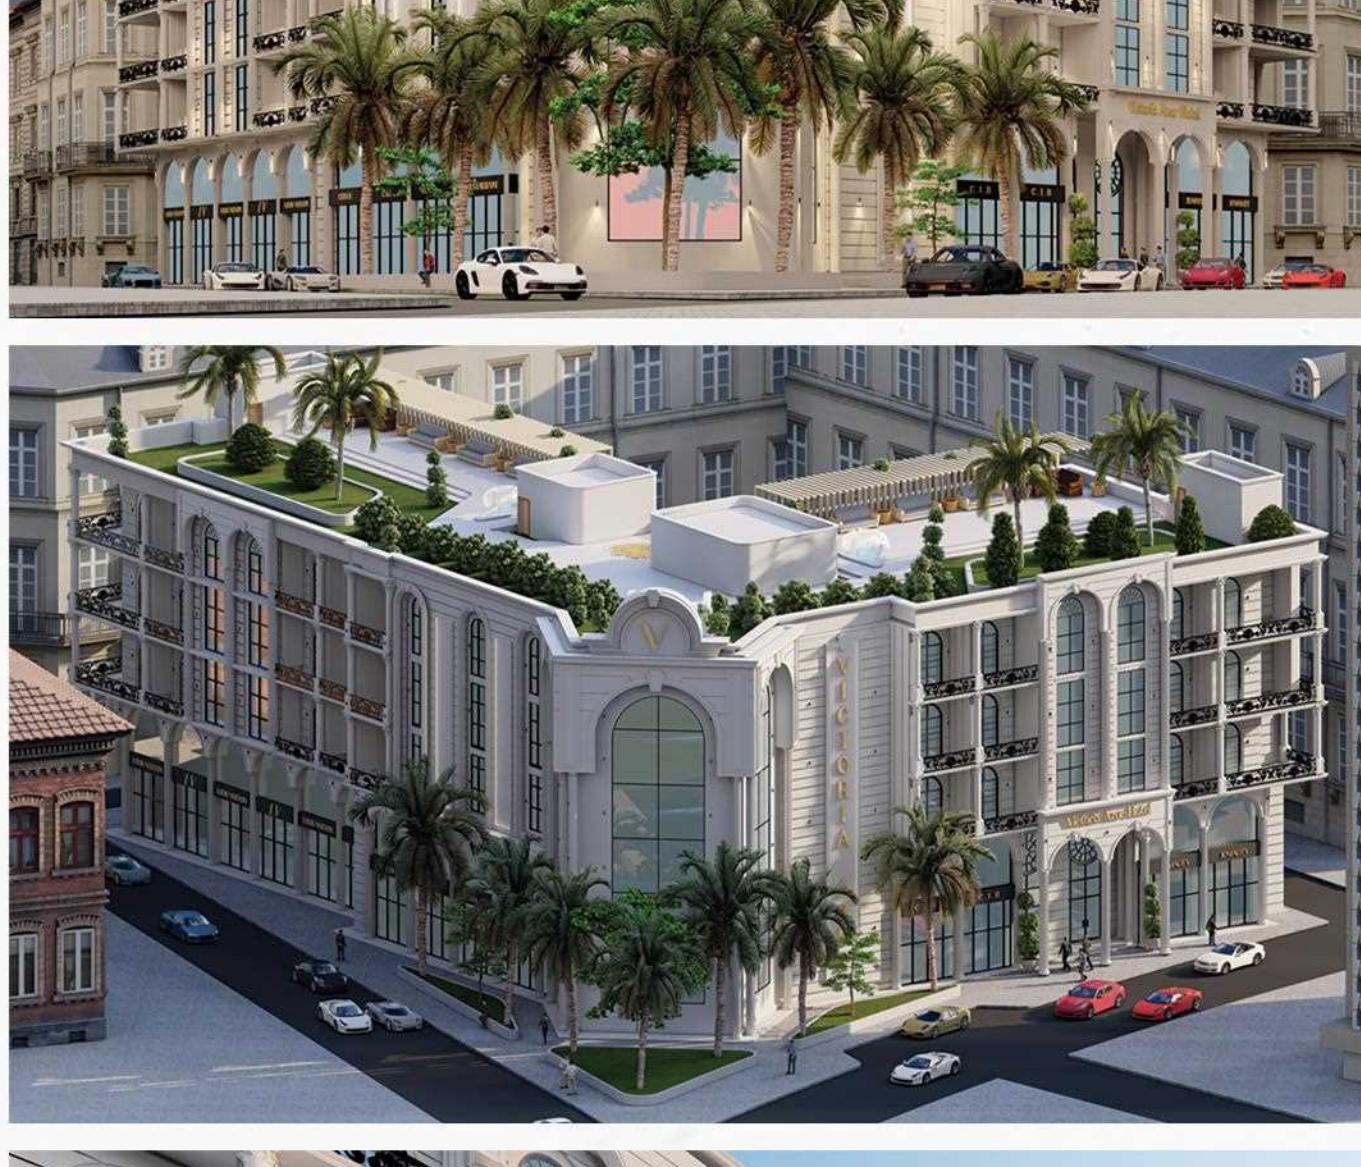

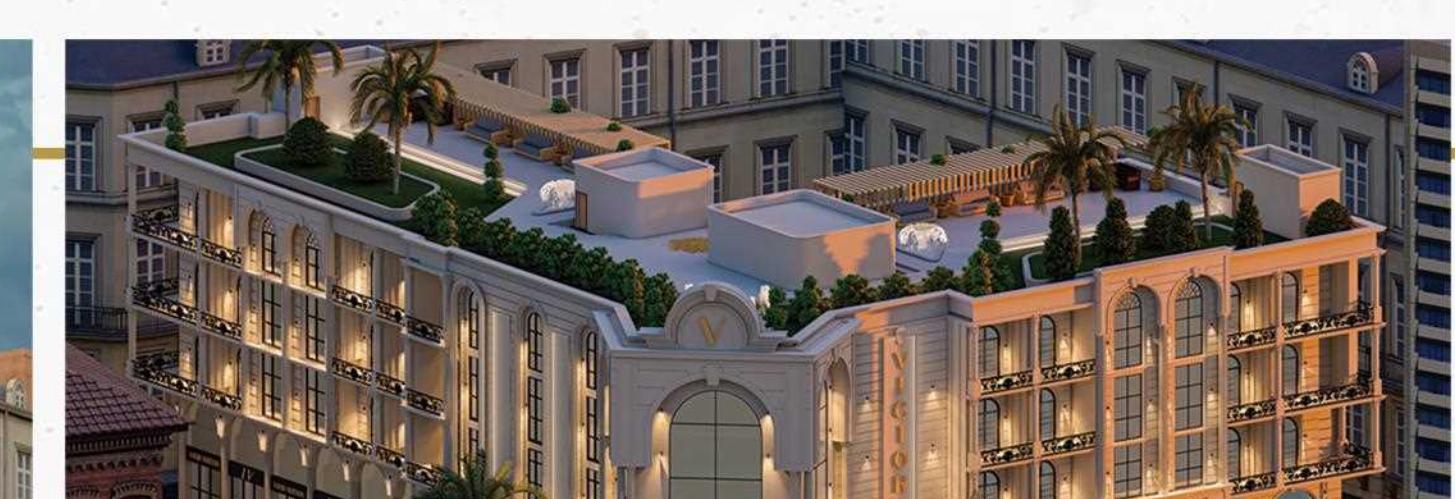

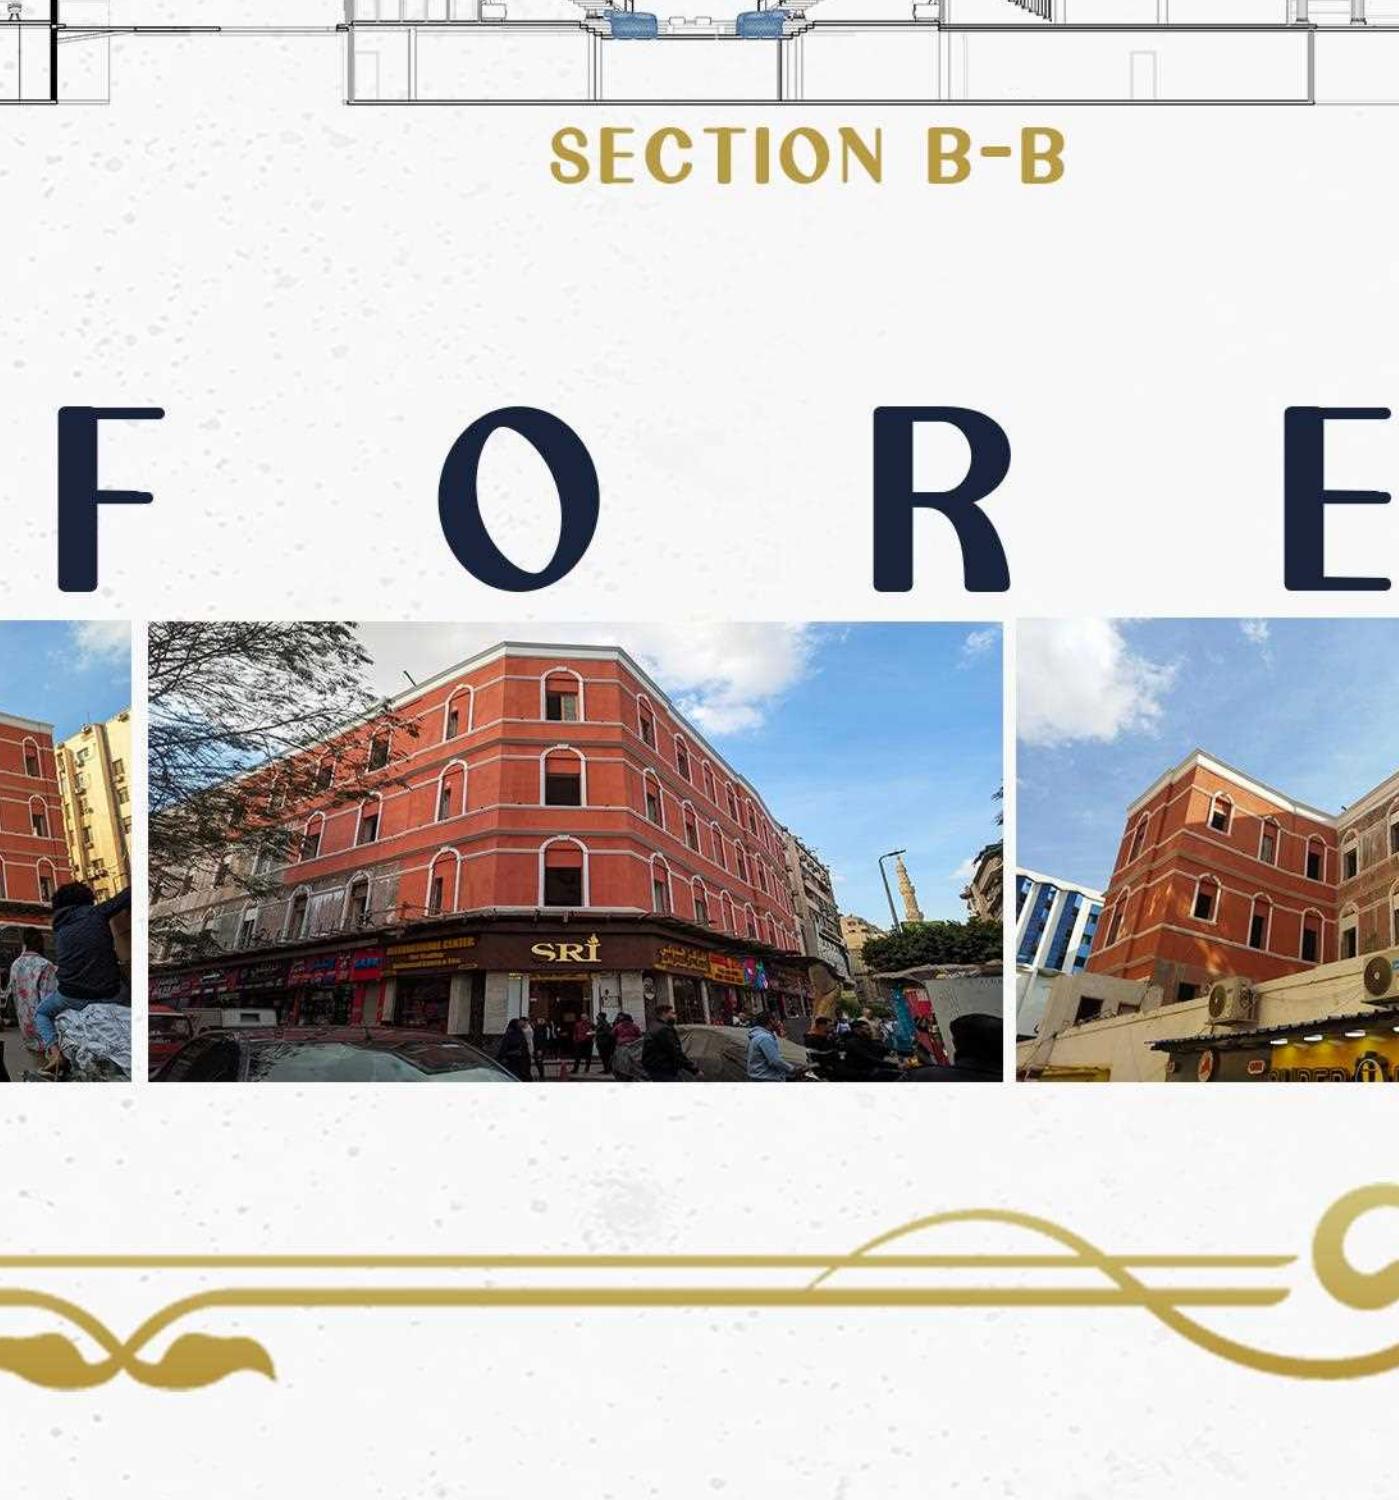

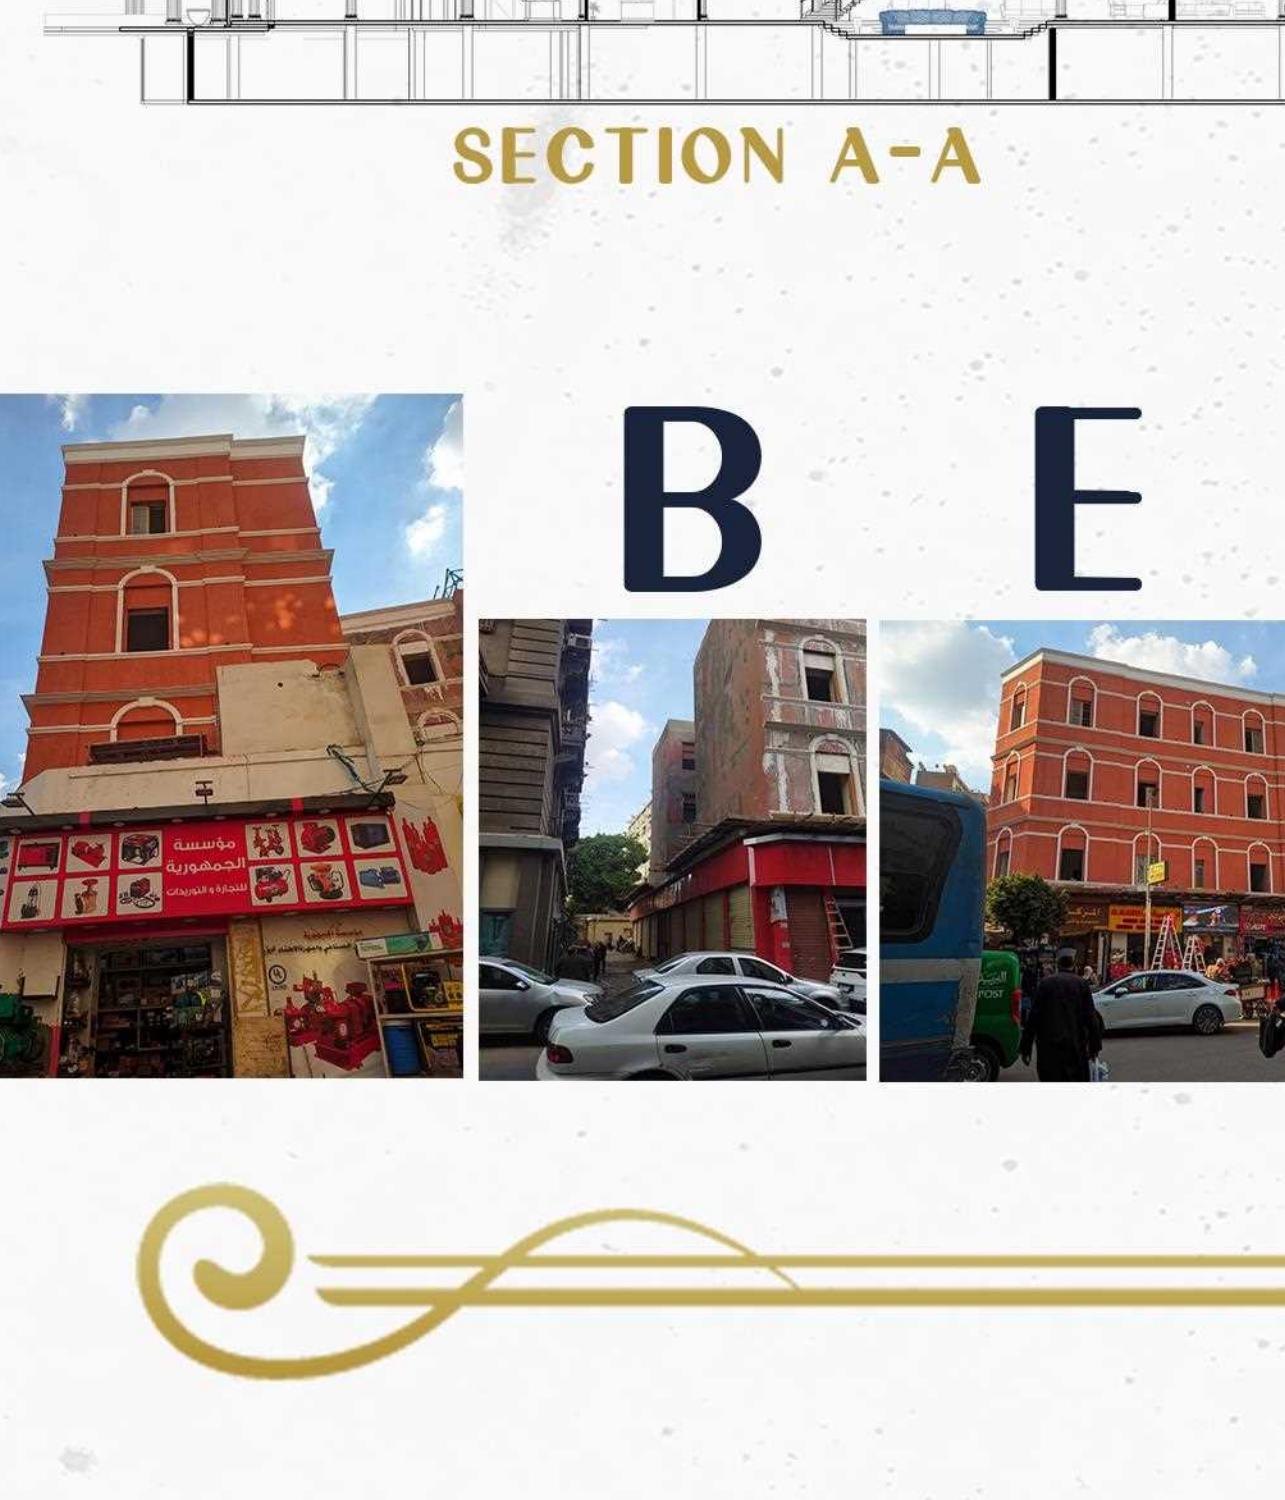

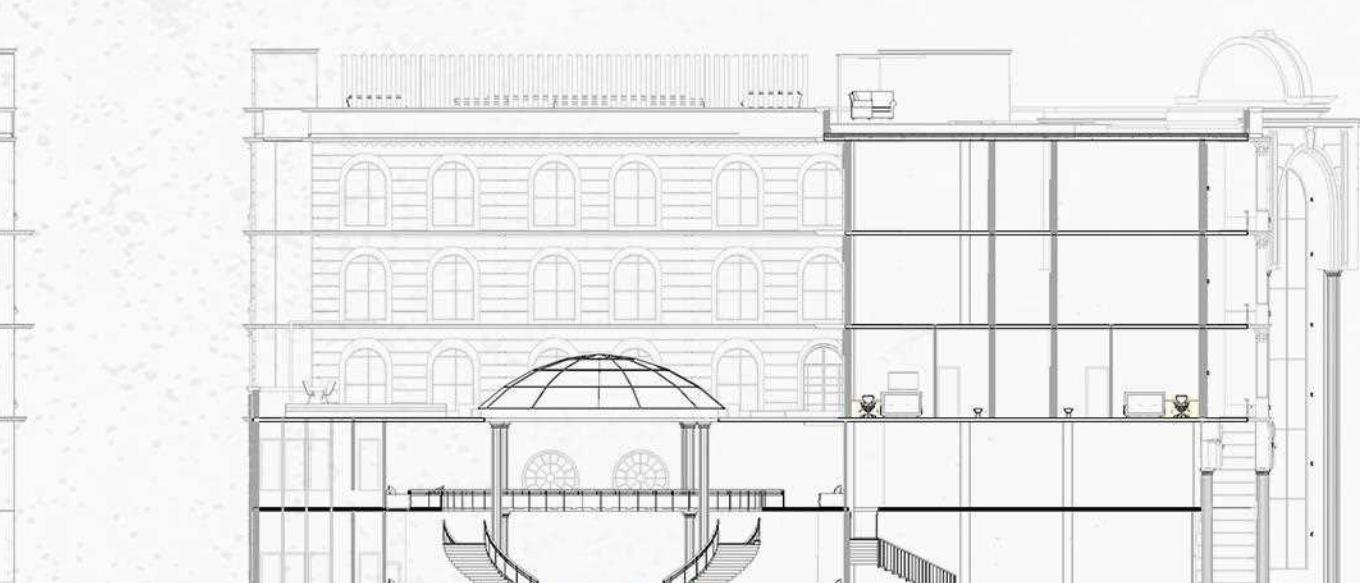

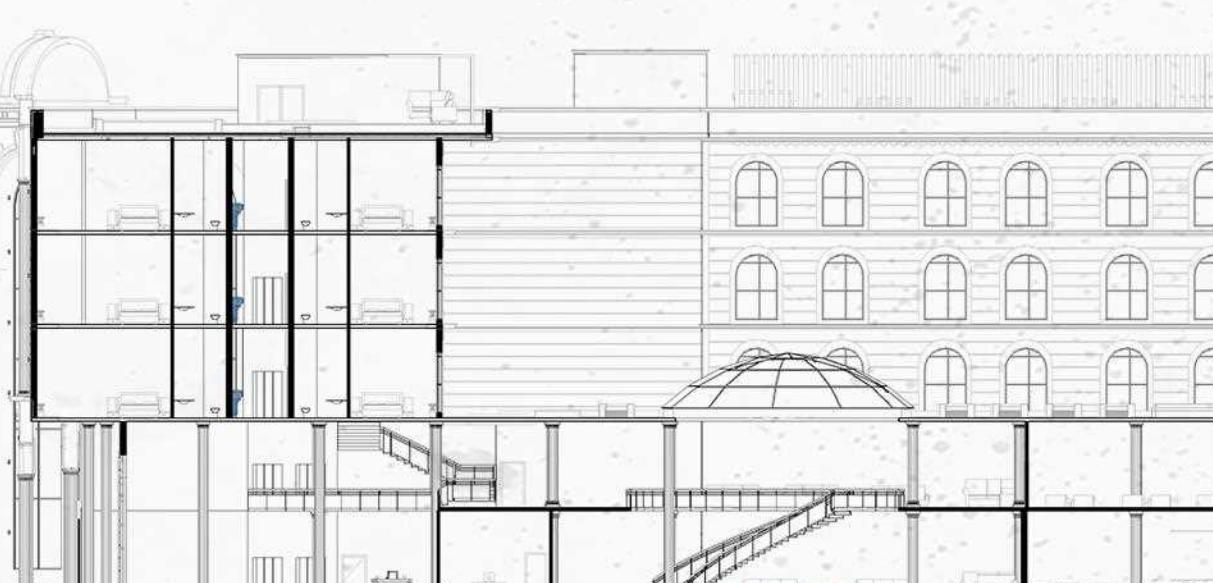

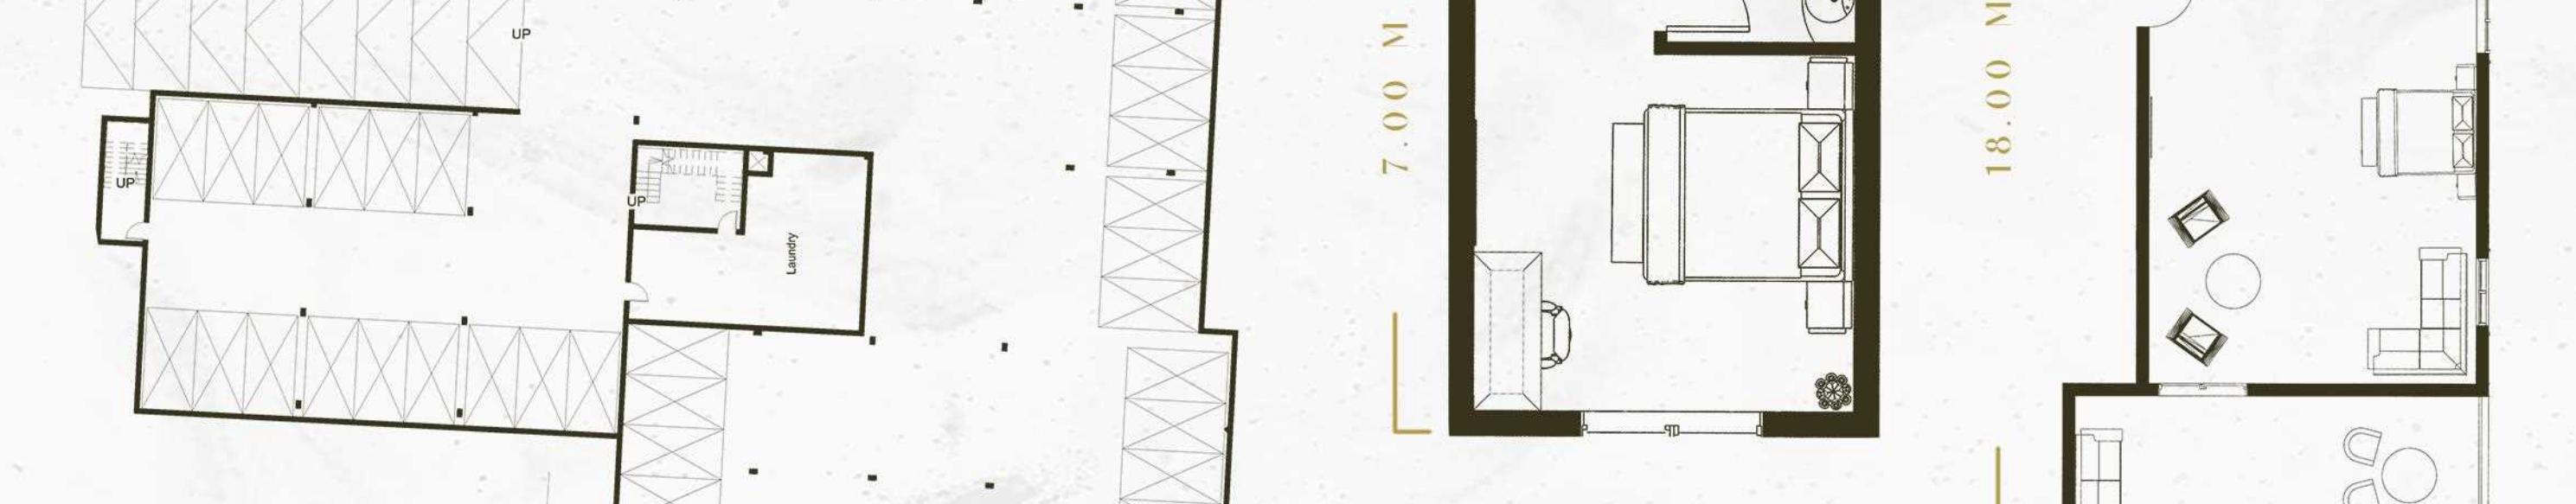

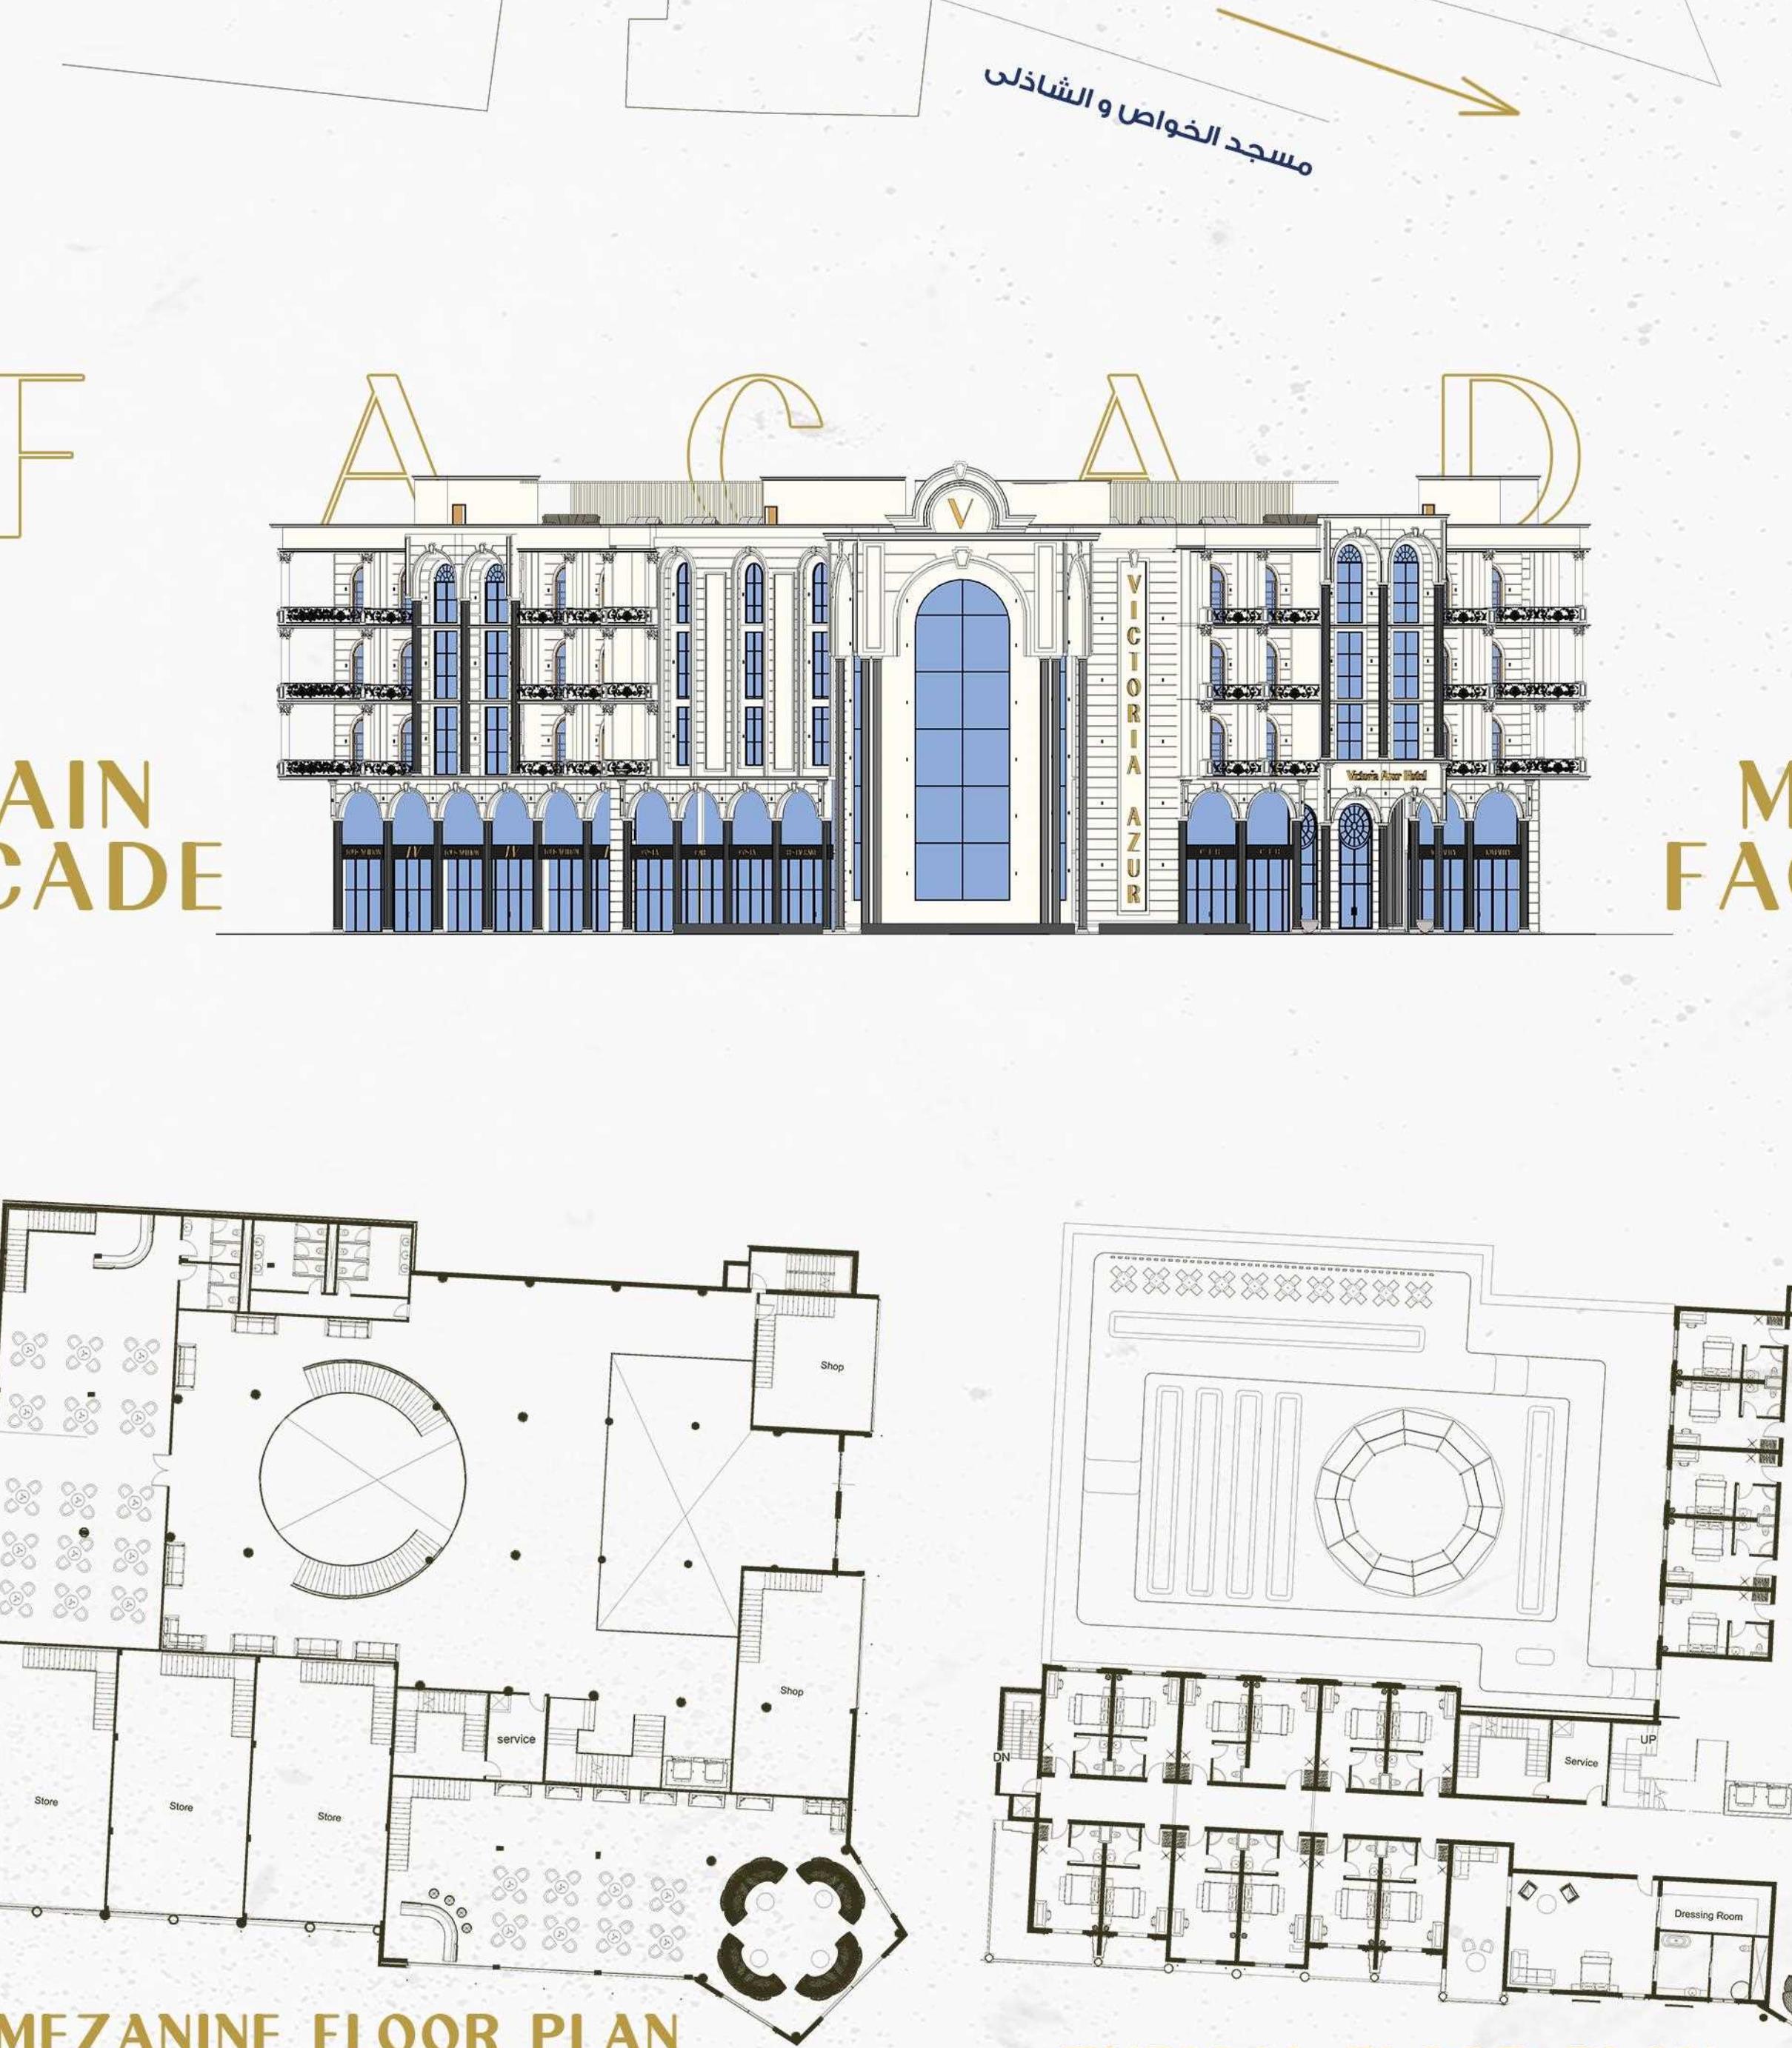

- Maintaining the hotel's history and retaining the layout of the region , but also keeping up with current technology, materials and situation By Taking The New NeoClassical Architecture Style as The new Design Language
- Raising the Hotel standards to become a 4 star Hotel serving Businessmen
- providing a Quite and Peaceful environment for guests
- Providing enough rooms with a number of 23 room and 1 suite per floor

### Site Studies

**M A S T E R  
MAP  
GROUND FLOOR 1:200**

V Is The First letter of the hotel name , As An Inspiration It's been made into a concept for designing the tower

The V Shape provides Ease Of Access , Multifunctionality and more over that it gives a Dynamic flow to the building
